

NEWZEALAND

I Praise and thank God for His Divine leading and guidance and specially to all my Partners in Christ.

It was such a blessing to be in the beautiful country of New Zealand in the cities of Auckland and Christchurch with my dear friend Dr. Darell Turner. The Lord has opened a great door of ministry with the Island community especially amongst the Tongan people living in New Zealand. He has connected our hearts with the president of the Tongan AOG, Rev. Laurence Larson, a man with a vision for New Zealand and a heart for the Lost. Pastor Laurence has planted many churches in the cities of New Zealand and Australia. We were able to strengthen and edify the church through the ministry of the Word. The Holy Spirit really moved in a powerful way in our midst in every service and many souls were ministered by His awesome presence. We were received with such love and warmth by such amazing people.

God bless you!
