

“FRESH WIND FRESH FIRE FOR JAPAN”

It was such blessing for me to minister in the beautiful country of Japan. The fourteen hour flight are soon forgotten as you see the faces of the saints of God brightened by the presence and glory of the Lord. They all had received a mighty touch of the Lord, there a genuine time of renewal and refreshing from above. As we have read in the book of Acts how the Holy Spirit fell in their midst, beloved this was my experience in Japan. The Lord really moved in our midst. I was able to minister on every level encouraging and edifying the body of Christ in Japan. A great work has been established and wonderful friendships built. The Lord has done great wonders in our midst. In a number of souls are going to be baptised soon and a church building going to be erected soon for the church to meet. What privilege and honour to be sent of the Lord to nations carrying this amazing life changing gospel. Thank you so much for all your love, prayers and support.

It was great to be in Japan with my friend Pastor Glenn Dato-On. The Lord used us greatly for the furtherance of His Kingdom in In beautiful country.

PASTOR SAKAI & PASTOR BERNADETTE MAMORU

It was my pleasure meeting and working with my dear friends Pastor Sakai and Pastor Bernadette Mamoru in Japan. He had a similar testimony as mine, how the Lord has delivered and saved us. What a humble man, with great heart for his people and his land. The Lord had sent me just to strengthen him and pour water on his hands as he ministers the gospel.
